JOINDER OF MONROE, INC. IN OBJECTIONS TO REORGANIZED DEBTORS'
MOTION FOR LEAVE TO FILE AMENDED COMPLAINTS

Monroe, Inc., by its attorneys, Miller Johnson, joins and adopts the objections and other pleadings (the "Objections") filed by the defendants in avoidance actions filed in the above-captioned bankruptcy proceedings in response to the Reorganized Debtors' Motion for Leave to File Amended Complaints, including, but not limited to, the Objections filed by Brake Parts, Inc. (Docket No. 20841), Pro Tech Machine (Docket No. 20842), and Stephenson and Sons Roofing (Docket No. 20849). In the interest of legal and judicial efficiency, Defendant will not reiterate the arguments which have already been made in the Objections. Instead, Defendant

hereby incorporates by reference, as if fully stated herein, the arguments and requests for relief set forth in the Objections as to Monroe, to the extent that they are applicable to Monroe, Inc. However, Monroe does note that it has been materially prejudiced by the delay in prosecuting the action against Monroe due to the fact that Monroe, Inc. was forced to liquidate in the intervening period and is no longer in possession of many of the records and documents necessary to adequately defend the claims against it.
